## **Small Farmer's Journal**

This pepper came to me through David and is easily one of our favorite varieties on the farm. Before I was a local food eater and farmer, many vegetables were unappealing; celery was bitter, cucumbers were spongy, and peppers were leathery and tart.

## **How To & Plans – Small Farmer's Journal**

Here it was like a beehive with too many fuzzy cheeked teen-agers who couldn't possibly be experienced enough to be of much help. But work was being accomplished; bents, end walls and partitions were being assembled like magic and raised into place with well-coordinated, effortless ease and precision.
