

Download Invisible China A Journey Through Ethnic Borderlands

Install Applocale on Windows 8 | Learning Matters ... [Wentoday]

Hi ! I'm not on Windows 8, still on old 7, but it doesn't matter much because I have a problem before even the installation. When I click on the link to download applocale on the windows website, I get a page with written :

Dongxiangs

The Dongxiang people (autonym: Sarta or Santa (???); simplified Chinese: ???; traditional Chinese: ???; pinyin: Dǒngxiāngzú; Xiao'erjing: ??????????) are one of 56 ethnic groups officially recognized by the People's Republic of China. Most of the Dongxiang live in the Linxia Hui Autonomous Prefecture and surrounding areas of Gansu Province in northwestern China.

Yanji

Yanji (Yeon-gil or Yenji in Korean, formerly romanized as Yenki) is a county-level city in the east of China's Jilin Province, and is the seat of the Yanbian Korean Autonomous Prefecture. Its population is approximately 400,000 of which a large portion is ethnic Korean. Yanji is a busy hub of transport and trade between China and North Korea
